3. THE COVER

Benefits

The Insurer reserves the right to check the validity of the cover, the eligibility of the Beneficiary and the proof of the occurrence of a covered event.

Our benefits are provided when:

- You have been injured following a Road Accident which results in Permanent Disability
- You die following a Road Accident.

In any case You should, prior to contacting Us, take all the necessary medical steps to ensure that Your condition is stable. When You submit a claim to Us, we will ask for supporting documentation to prove the validity of Your claim. In accordance with applicable privacy laws, our medical doctors can ask for Your medical file and any supporting documentation required to accurately assess Your claim.

Limits of Indemnity

The Limit of Indemnity payable by the Insurer is as follows:

1. Permanent Disability

£42,735 (or the appropriate percentage of this amount) determined by the Permanent Disability Degree if You are left with a Permanent Disability as a result of a Road Accident while using a Lime Unit.

a) Determining the Permanent Disability Degree

A Physician determines, after Consolidation of the Beneficiary's injuries, their Permanent Disability Degree, with reference to the Permanent Disability Table.

The Beneficiary may be assisted, at their own expense, by a Physician of his choice.

The Beneficiary undertakes to communicate to Us all information that we may reasonably request in order to determine their Permanent Disability Degree.

In the event of disagreement on the conclusions of the expertise, the following provisions shall apply:

- The causes and consequences of the claim shall be estimated by mutual agreement. Failing this, the claim shall be estimated by an amicable third party expert appraisal. The liability for the fees for this appraisal shall be shared equally between the Insurer and the Beneficiary.
- If the parties fail to agree on the choice of the third party expert, the appointment shall be made by the appropriate local court to the Beneficiary's place of Residence.

This appointment shall be made on a simple request signed by the Insurer or by one of the parties only, the other having been summoned by registered letter.

b) Calculation of compensation amount

The indemnity which is paid to the Beneficiary corresponds to the payment of a capital sum proportional to the Beneficiary's Permanent Disability Degree. It is calculated by multiplying the maximum limit of cover shown in the Table of Limits and Conditions by the Beneficiary's Permanent Disability Degree, provided that:

- the Permanent Disability Degree is strictly greater than 15% (no indemnity shall be paid if the Permanent Disability Degree is less than or equal to 15%),
- in any event, the Degree of Permanent Disability may not exceed 100%.

2. Death

£42,735 payable to the Entitled Person if You die as a result of a Road Accident while using a Lime Unit.

Death must occur within one year following the Road Accident and be as the direct consequence of the Road Accident. It is the responsibility of the Beneficiary or the Entitled Person to provide all evidence required of the Road Accident and subsequent death.

Any indemnities that may have been paid before the death, under 1. Permanent Disability (above), resulting from the same Road Accident, will be deducted from the death benefit.

4. GENERAL EXCLUSIONS

The indemnity in this Policy (including under any extension) will not apply to legal liability or pay any amounts arising from:

1. Any Unauthorised Use of a Lime Unit.
2. Any accident that is not a Road Accident.

 - a) resulting from;
 - b) arising out of; or
 - c) relating to any Pandemic outbreak (including the COVID-19 virus)
10. Any claim where the provision of such cover, payment of such claim or provision of such benefit would expose the Insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the United Kingdom, the European Union or the United States of America.
11. **Specified Excluded Perils:** arising out of or in connection with:
 - civil commotion, riot, labour disturbances or public disorder or attempt thereat;
